

A meeting of the Parish Council was held in the Village Hall on Friday Feb. 6 1953 at 7.30 p.m.

Present.

Messrs H. Seal (Chairman) M. Briggs, F. Minkley, J. Triggs and P. F. Ossian (clerk).

The Chairman asked the meeting to stand for a few moments silence as a token of respect for the people who had lost their lives in the recent Earl Court flood disaster.

Minutes.

The Clerk reported that the Minute Book was away at the District Audit, it was therefore agreed that the previous minutes be signed at the next meeting.

Lighting of Parish Camp Silos.

The Chairman read a letter from the Clerk of the Barrow-upon-Soon R.D.C. in which it was stated that the R.D.C. were unable to give any assistance financially for street lighting purposes. The Clerk went on to explain that the only way financial help could be given to the Parish would be for the Parish Council to concede their power of the Lighting Authority to the R.D.C. The Chairman also explained that certain of the Parish Silos received electric power from the mains of the East Midland Electricity Board and the remainder from the R.A.F. mains. The Chairman also explained that this point had been discussed with an official of the East

Midlands Electricity Board who had stated that the Board could not provide any form of lighting on these sites receiving power from the R.A.F.

These points were discussed at great length but the meeting was unable to come to any agreement. The Chairman was asked to refer the matter back to the R.D.C.

Estimates for expenditure 1953-4. It was agreed to present £9.0.0 for the General Account and £27.0.0 for the Street Lighting Account, the latter to be passed at the Parish Meeting in March. The amount was fixed for the purpose of an estimate form required by the Treasurer of the R.D.C.

Draft map of the parish. It was agreed to discuss this when the Draft map had been received from the County Council.

Authorization of cheques. The following cheques were authorized:

Shaw and Son. Stationery. £12.11.

East Midlands Electricity Board. £10.10.0.

This concluded the business and the chairman closed the meeting.

The Annual Parish Meeting was held in the Village Hall on Thursday March 26 1953 at 7.30 p.m.

Present.

Messrs H. Seal (Chairman) M. Briggs,
S. Eggleton, F. Minkley, J. Trigg,
P. F. Ossian (clerk) together with 4 local
government elections.

Minutes.

The Minutes of the last Parish Meeting held on Monday March 17. 1952 were read, confirmed and signed by the chairman.

The Minutes of a Parish Meeting held on Monday Nov. 24 1952 to discuss Coronation Celebrations were taken as read and signed by the chairman.

Business
Arising.

The meeting was greatly concerned with the speed of traffic through the village, and although this had been reported to the Police after the last Parish Meeting the condition was still unchanged.

The Clerk was instructed to write to the Supt. of Police at Loughborough requesting his co-operation in the matter.

The overgrown hedge opposite the Chapel was not completely cut and the Clerk was asked to write to the Area Surveyor informing him of this.

The condition of the main street was still far from satisfactory particularly the footpath which needed re-surfacing

after the recent cable laying. Also the section of road adjacent to the chapel still flooded. The Clerk was instructed to inform the Area Surveyor of these points urging for them to receive immediate attention and also requesting that the village receive the regular attentions of a roadman.

Street lighting. The Clerk informed the meeting that the Council had had to give the R.D.C. an estimate for lighting expenditure earlier this year, this had been given as £27-0-0. This amount would allow for existing lamps to be moved if necessary, but not for any additional lamps which would require standard. The possibility of a lamp being fitted to a building in the Back Lane was discussed and the Clerk was asked to enquire into this before another lighting season.

It was suggested that a Parish Meeting be called before the financial estimation had to be given for next year. This was agreed upon.

Mr. G. Briggs then proposed, seconded by Mr. J. Trigg that £27-0-0 should be the amount raised as a special rate for street lighting during 1953-4. This was unanimously carried.

Any other business.

It was reported that the brook in the Back Lane needed attention although many requests had been made to the R.D.C. to have it cleaned out.

Mrs. R. Brooks then proposed a motion by Mr. Blood that the Clerk write to the R.D.C. asking them if they would consider having the Brook filled in and the water course culverted as was the case in other parts of the village.

It was also reported that there was an obstruction in the sewerage system and the Clerk was instructed to ask the R.D.C. Engineers to inspect this.

The Clerk was also asked to make a request to the R.D.C. for litter Baskets to be erected in the main street.

This concluded the business and the meeting was closed.

Correspondence.

A letter was read from the chairman of the Residents Committee of the Pollich Housing Estate making a further request for street lighting.

It had previously been explained to the Council by an official of the West Midland Electricity Board that the provision of lights round the various buildings did not come under the category of street lighting.

With this information to hand the Council as the lighting Authority for the Parish were not responsible for the provision

of light on the Housing Estate and considered it the responsibility of the Polish Residents to provide some form of suitable lighting themselves.

A circular letter on street lighting was read from the Ministry of Transport in which it stated that lighting Authorities must apply for an Annual licence to enable them to carry out any improvement to existing street lighting.

The letter also stated that the Regional Licensing Officer of the Ministry of Works required an estimate of expenditure for maintenance of existing lighting installation for the coming year.

A letter was read from the R.D.C. stating that they could not take any further action regarding brook cleaning and advised the Parish Council to approach the Area Surveyor regarding the matter.

A letter was read from the Area Surveyor in reply to one sent from the recent Parish Meeting stating that the various points raised regarding the village street would receive his attention.

Printwold Parochial

Charities. Copies of the accounts for the year 1952 were presented to the meeting and endorsed.

Any other
business.

Mr. Briggs asked if a notice "No through Road" could be placed at the entrance to

Seymour Rd. to prevent through traffic
inadvertently using this road.
The Clerk has asked to write to the R.D.C.
asking for a suitable sign to be erected.
This concluded the business
and the meeting was closed.

K. Seal Chairman

A meeting of the Parish Council was held at the Village Farm on Friday Nov. 6 1953 at 7.30 p.m.

Present:

Messrs H. Seal (Chairman), M. Briggs,
S. Eggleton, J. Trigg and P. F. Odwin (Clerk).
Mr. Dolman (Clerk of the Barron Union. Socy R.D.C.)
Mr. Sadowski (Chairman of the Polish Residents Committee). Mr. Jamieson and Mr. Kinnell (Representatives of the East Midlands Electricity Board) attended by invitation.

Apology.

An apology was received from Mr. Minkley for non-attendance.

Minutes.

The minutes of the Annual Parish Council meeting held on Friday May 29 1953 were read, confirmed and signed by the Chairman.

Matters Arising.

cleaning of the Brook.
The chairman reported that he had been informed at a meeting of the Highways Committee that the County Council was the responsible body for the work and that the brook would be cleaned out in the near future.

licence for Street lighting maintenance and extensions.

The clerk reported that he had obtained a licence to enable the Parish Council to maintain the street lighting at a cost not exceeding £30-0-0 and minor works of new installation at a cost not exceeding £50-0-0 for a single operation.

Lighting of the Polish Camp, Siles.

The Chairman asked Mr. Dolman for his views on this matter. Briefly, Mr. Dolman stated that a minimum of 30 lamps would be required to light these villages and went on to say that the R.D.C. were not in a position to provide these.

Mr. Jamieson explained that it would be costly and uneconomical to provide the type of lamp used for lighting the main streets to light what were in effect only pathways between the huts.

He suggested that the Polish Community purchase a cheaper type of lamp which could be fitted on the huts at suitable points. In view of the many difficulties these scattered villages presented the meeting agreed that this was the most economical solution to the problem.

Additional Lamp in Seymour Road.

It was requested at the last Parish Meeting the Clerk had obtained the cost of an additional lamp in this road. This was £5.0.0 for a suitable pole plus £3.0.0 for the supply of electricity and maintenance. The Clerk reported that the balance in the lighting Account would not cover this amount. Mr. Jamieson then suggested that the pole remain the property of the East Midlands Electricity Board and that the cost to the Parish Council would be £3.0.0 for light and maintenance. The meeting agreed that this additional

lawn, should be erected as soon as possible.

Any other
business.

The Clerk asked Mr. Dolman if street name
plaques would be erected in the village.
Mr. Dolman informed the meeting that these
had already been put in hand and would be
erected in due course.

Re-naming of the Back Lane.

Mr. Dolman asked the meeting how much
of the Back Lane was to be re-named
Seymour Rd. The meeting informed him
that the whole of the lane was to be
known as Seymour Road.

There being no further business the chairman
proposed a vote of thanks to the visitors
for their help and advice this was heartily
endorsed by the members of the council.
The chairman then declared the meeting
closed.
